

REPRESENTATIVE DRIEHAUS WELCOMES HHS FUNDING FOR CHILDREN'S HOSPITAL

WASHINGTON, DC—Representative Steve Driehaus today welcomed an announcement by the U.S. Department of Health and Human Services (HHS) of two grants totaling \$305,000 for Cincinnati Children's Hospital Medical Center. The funding will be used to support research projects at Children's Hospital.

"Children's Hospital is an invaluable asset to Cincinnati's medical community and a national leader in medical research. This smart investment will allow Children's Hospital to continue conducting its excellent work," said Rep. Driehaus.

Two HHS grants will go to support research projects at Cincinnati Children's Hospital Medical Center. A grant of \$228,750 will support a project entitled "Regulation of Hematopoietic Stem Cell Self Renewal." A grant of \$76,250 will support a project entitled "20-year intergenerational longitudinal follow-up of females abused as children."
